A Thankful Heart overflowing with Joy!

What an exciting time of year with family and friends around a table sharing Thanksgiving together. It is a season of walking through God's wonderful creation looking for the "perfect" Christmas tree, sipping on mugs of hot Cocoa, nibbling on Christmas cookies, and singing Christmas Carols. Like you, I have plenty of reasons to be thankful this year. One of those reasons is you. I wish I could sit down face to face and tell you how thankful I am to God for your faithful support. I am humbled to think that some of you give even though you live too far away to receive KIBC.

May the LORD recompense thy work, and a full reward be given thee of the LORD God of Israel, under whose wings thou art come to trust. Ruth 2:12

We continue to watch in amazement as God provides. When we upgrade outdated equipment, sometimes God sends in the money to be able to purchase it. At other times, God provides it by making it available at a third of the cost - the exact amount that had come in from you, our prayer partners. He doeth all things well and He is an all powerful God.

To God be the Glory!

Prayer requests:

1. Re-licensing process with FCC in 2013
2. Wisdom for day to day operations
3. Listeners to respond to God's Salvation.
4. Believers to be strengthened in their faith
5. Upgrades on equipment to send the signal from the studio to the transmitter.

As we begin playing our Christmas music our prayer is that your heart will be full of joy and amazement in the fact that God came to dwell with us. He left the glories of heaven and humbled himself to walk among us. He was born to die that we might live with Him. Share this truth with others and encourage them to listen to KIBC.
